ALIEN

People of earth, I am Clendmere
from the planet Zimthixy. I come in
friendship and mean you no harm. I
have travelled many lightyears to
this beautiful blue planet of yours
because you have something found
nowhere else in all the galaxy.
Something wonderful. Something
amazing. Something
called...chocolate. Can I have
some?

you barking at me?! Haven't you
ever seen a frog before?

DOG
Gosh, I'm not sure. What do they
look like?

FROG
Like me. A frog. And there's no
reason to bark. Us frog's are
perfectly harmless. A little gross
and slimy maybe but harmless.

Dog licks the Frog.

FROG (CONT'D)
Hey! What are you doing?!!!!

DOG
Seeing if you'd be good to eat.

FROG
Are you kidding?! We're disgusting!
Awful! You don't want to eat a
frog! Blech. Ew! I'd make you sick!

DOG
I sure wouldn't want that. Nope.
Thank you very much for telling me.
You're very kind. Yup. I was gonna
eat ya, but now I'm not. Nope. Not
now. Not ever.

FROG
Good.

DOG
But, I am gonna chase ya!
(barks)

Uhhhh....ummmmm. She didn't have a name.

CHILD

Why not?

GRANDMA/GRANDPA

Her parents were weird. I dunno...anyway she...

CHILD
